Chairman Burnett led those present in the Pledge of Allegiance.

It was moved by Commissioner Bousman, seconded by Commissioner Noble to approve the agenda with the addition of discussion of a letter to Mark Bingman. Motion carried.

The minutes of the preceding meeting on September 1 were approved and ordered filed by motion from Commissioner Vickrey, seconded by Commissioner Noble. Motion carried.

Billy Pape, Road & Bridge Superintendent, met with the Board to update on activities. He presented two bids for vehicles, a 2500 Ford 4X4 and a 3500 Ford 4X4 Cab & Chassis with the low bid coming from Frontier Ford in the amount of \$82,665.00. It was moved by Commissioner Bousman, seconded by Commissioner Noble to accept the bid from Frontier Ford. Motion carried.

Pape stated he had a request to order a generator for the new construction of the Daniel Fire Hall in the amount \$55,000.00. He stated the generator was not included in the original bid for the new fire hall and was understood it would be purchased by the County. Commissioner Noble stated it was discussed by the working group to not include the generator in the bid because if it was ordered by the contractor there would be a 20% markup and the County could order one and avoid the markup by the contractor. He stated it was not formally discussed with the Board. It was moved by Commissioner Noble, seconded by Commissioner Rawhouser to pay for the generator. Motion carried 4 to 1 with Commissioner Vickrey voting nay.
